ADDITIONAL DETAILS:

GENERAL PROVISIONS

1. The applicant shall contact Public Works Director, (912) 654-2476, five (5) days PRIOR to start of construction to coordinate work.
2. The applicant is required to maintain a minimum of five (5) feet horizontal and five (5) feet vertical separation between all water lines, sanitary sewer lines, and / or storm water lines.
3. Where pavement surfaces are excavated, restoration shall be completed within 48 hours.
4. Applicant must comply with City of Glennville Erosion and Sediment Control Ordinances. Erosion and sediment control is required. Disturbed right-of-way must be protected from erosion. Any sediment entering City drainage systems shall be removed.
5. Disturbed areas shall be stabilized and re-grassed once work is completed. New sod must be watered until survival is assured.
6. No trenching in pavement shall remain open at close of business day.
7. Approval of this work permit does not permit detouring of traffic or street closing unless specifically approved by the Public Works Director or Chief of Police. Method of street closing or traffic detour must accompany permit application.

The applicant shall assume all liability for and hold the City of Glennville, its elected and appointed officials and its employees, harmless from any and all claims for damages, actions, or causes of action arising from work done under this permit.

(I, we), the undersigned, herewith accept the terms, conditions and general provisions of the regulation as laid down by the City of Glennville and agree to fully comply therewith to the satisfaction of the Chief of Police and / or Public Works Director.
