During the COVID-19 pandemic, the City also encourages the posting of the following language during your event to decrease any liability on permittee. We can e-mail you a Word document for that use:

“Any person entering the premises waives all civil liability against this premises owner and operator for any injuries caused by the inherent risk associated with contracting COVID-19 at public gatherings, except for gross negligence, willful and wanton misconduct, reckless infliction of harm, or intentional infliction of harm, by the individual or entity of the premises.”

“Warning under Georgia law, there is no liability for injury or death of an individual entering these premises if such injury or death results from the inherent risks of contracting COVID-19. You are assuming this risk by entering these premises.”
